

## **Lesson Flow**

I'd like to practice for a TEAP speaking test. I'll send you a PDF file of the interview structure during the lesson. After the lesson, I'll submit a summary of our conversation (Part 2) to my English teacher.

### **Interview Structure**

**Part 1:** Ask me a few questions about myself, and then I will ask you some questions about yourself.

**Part 2:** I'll interview my tutor. (I need to submit a written summary of our conversation to my English teacher after the lesson.) **(HOMEWORK)**

**Part 3:** We'll each give a one-minute speech on the assigned topic.

**Part 4:** You'll ask me various questions on different topics, and then I'll ask you the same questions.
